

Event support Volunteers

Do you love making something happen?

Want to do something good in your community?

Work with others in a team?

Be a part of something which makes people smile?

Castle Bromwich Hall Gardens is a tiny charity with a big Garden (10 acres of historic walled plants and garden)

We love to share the space with people and, to help us keep the charity going, we also run over 25 public events and 40 family activity sessions. Our volunteers run a small café and a shop too.

Our events range from musical afternoons through outdoor family theatre to 1940s nostalgia and rare plant fairs. Many activities happen at weekends or during school holidays.

Come and have fun making it fun for everyone.

What will I be doing?

Depending on the event and your preferences, you may be asked to:

- meet and greet visitors and make sure they can find their way about
- help set up and clear down the event
- help set up signs and flyers to advertise the events in advance
- staff the shop or stalls
- sell raffle tickets and tell people about membership
- take refreshments to other volunteers on the day
- help the organisers run a smooth event
- help direct traffic safely in the car park

What skills, experience and attributes do I need?

Along with being able to give your time on at least 2 or 3 occasions, we ask that you are

- flexible and willing to volunteer outdoors
- enthusiastic about what we do and helping at events
- willing to work as part of a team
- Some tasks might involve physically moving tables, equipment etc.... we can adjust according to your needs – there's a variety of roles!

If you have specific skills and experience that you think might be useful, such as event management, graphic skills, leading teams, till experience, car parking, first aid – do please let us know when you apply.

But don't worry, we will provide training and induction as needed - a willingness to help out and to learn the ropes is the main thing.

Want to know more?

You can: Phone. 0121 749 4100, Email . admin@cbhgt.org.uk
