# Unplug and Play!

## Volunteering and placement opportunities

Our summer long programme for families to get outside, together in a safe and creative place.

### **Suddenly the Back Garden grew... to 10acres**

Want to try out your work skills?

We can help you grow and practice your creative, early years, youth work, woodland and gardening skills.

Have a great time helping young people grow – just few hours will make a difference.

Storytime, crafts, learning to knit, mud kitchens and doodling we've got them all this summer.

We want young children and their grown-ups to find our Gardens a place to get outside, enjoy making and creating, run around and sometimes just be peaceful.

#### **Can you help us support them?**

Families can use the Gardens 7 days a week but on Tuesdays, Wednesdays and Thursdays during school holidays, from 12-3pm, we will be running extra sessions.

- Perhaps help us run story time in the Maze?
- Help us with simple craft activities – frogs from cardboard tubes, recycling milk cartons into wind catchers?
- Be part of the giant recycled knit-knot tent made from strips of material and French knitting 'ropes'.
- Garden alongside our junior gardeners?

You don't have to be an expert, we can show you how to do things.

As well as the sessions we need people to prepare and tidy up – put away the books and cushions, set out the croquet on the lawn, collect the doodles and pin them to the artline.. gather recycled materials ....

Let us know if you have some time- or know of others who'd like to help out. You don't need to commit to the whole summer, just a few hours of your time can make a big difference.

#### **Want to know more?**

You can: Phone. 0121 749 4100, Email . [admin@cbhgt.org.uk](mailto:admin@cbhgt.org.uk)
